How the Party Works: We request that you arrive 15 minutes before the party start time so we can start promptly, but please no sooner. When you arrive, you will meet with your party host who will also be the field referee for the Laser Tag game. They will spend the first 30 minutes explaining the game play, passing out equipment, teaching the players how to use it and setting up a photo op for the parents to take pictures if requested. This is followed by 30 minutes of laser tag play. The party then breaks for pizza and drinks. (Private party you provide all food. Aside from the included food, you are welcome to bring extra drinks and snacks into your reserved party space.) When the players are done eating, they will go back out for 30 more minutes of laser tag play or 2nd option from below chart. If the Sargent party is chosen, the second activity will take place next. Lastly, guests will have 30 minutes back at the Picnic table for cake and gifts. (We leave bringing the cake up to you) Fifteen minutes are allowed to pack up before the arrival of our next party. (Owner reserves the right to change the order of events based on conditions at time of party.) **IMPORTANT:** Before mailing in your planner form, please call to discuss available party slots. Availability for a specific date and time is not guaranteed until confirmed by Janice Sullivan at 607.962.7485 janice@thecenteronparkave.com You will receive an e-mail confirmation of your parties booking.
